

12th November 2020

Dear Families

As you know from my letter dated Friday 6th November, we are aiming to deliver a whole school 'Bubble' Nativity, which will be rehearsed and performed in our two separate school bubbles. Due to the current situation we are unable to have a live audience in the school building and therefore we are aiming to harness the power of technology to stream the Nativity live to you through Google Classroom! In order to protect our bubbles, Nursery and Key Stage One will perform the first half and then Key Stage Two will perform the second half of the Nativity.

Due to the fact that we will be sharing the Nativity on a live stream through Google Classroom it is important that we seek permission to involve your child in the filming. The performances will be able to be accessed by parents/families of the school via a link sent from us.

As always, there will be a number of different parts for the Nativity, so if you would prefer for your child to not be shown on screen, that is fine; we will still include them in the production alongside their friends in an 'off-screen' role. If you would like to discuss this further with your child's teacher, please contact them via their class email address or Mrs Brodie in the academy office on 01548 560494 and they will get back to you as soon as they are able.

As this is a new and unusual way of performing, we need permission slips back for all children to ensure we comply with your wishes. Please send your slips back promptly by Thursday 19th November so that the teachers can start to allocate roles.

Your child's class teacher will be in contact with you once we have received permission slips for each class with further information about costumes and links for the performances.

Thank you for your continued support, it is greatly appreciated by the whole team and we are looking forward to dazzling you with this year's festive production!

Kind Regards

Miss L Garside
Executive Head
