DFE PERFORMANCE TABLES 2018 AND 2019

Friday 4<sup>th</sup> December 2020

Dear Parents

Over the past few weeks, we have been busily rehearsing for our virtual Nativity performances which we will share with you next week on Tuesday and Wednesday at 2pm! With great excitement, we are pleased to share the arrangements for the performances.

In preparation for this, you will receive a Google Meet code from Mrs Brodie and you will need to use this to access our Nativity. In order to ensure it runs smoothly, when you join the hangout, you may have to wait a few moments to be "let into" the Google Meet by Mrs Brodie; you will be unable to join straight away. When you are given access to the Nativity, we kindly ask that you ensure you mute yourself straight away so that there is no background noise or sound interference during the performances.

Our Nativity is being shared with you only. It is important that you do not share the code with anyone else. If we do not recognise a name or email address, you may be refused access to the Nativity as the safety of our children is of paramount importance. We must also ask that you do not record any part of the performance or share any photos on any social media sites for safeguarding reasons.

The first part of the Nativity will be performed by Key Stage 2 and the final part will be Nursery, Reception and Key Stage 1. There will be a short interval between the Key Stage 2 and EYFS/Key Stage 1 performances as we will need to ensure our bubbles do not mix and the hall can be cleaned and set up accordingly.

Thank you for all your support in sourcing and making so many of the children's costumes and helping them prepare for their parts. We are all so excited to be able to share this with you in what has been a challenging year for our whole school community, and mark this special time as a school family albeit in a slightly different way!

With best wishes

Mrs L Williams
