Home Learning

In Leas Foot Class, our home learning will be set through Google Classroom after half term. I will reshare the children's login details, so you can access Google Classroom from home.

Reading in Leas Foot: Reading is key to everything your little one will do in school and we want every child to be confident readers with a love of books. Your support with reading at home is key to this. Your child will be bring home their reading record along with their RWInc books. It is really important that they read their book at least three times a week with a grown up. Please make a note of any comments in their reading record and we will follow them up in class.

RWInc reading books due in: Thursday
Library reading books due in: Thursday
New reading books: Friday

Year 1 Maths: There will be another NumberSense Maths sheet this week to reinforce learning from school and to help support their mathematical development.

Year 2: This week's learning will focus on counting in 5s to solve word problems.

Date due: Thursday 14th October

Year 2 Spellings

badge, hedge, bridge,
dodge, fudge, smudge

To be tested Friday 15th October

Dear all,

We have had another learning packed week in Leas Foot Class. The children have been working very hard and I have been blown away by their superb attitudes to learning. Well done Leas Foot! 😊

This Week in Leas Foot

As mathematicians this week, Year 2 have been comparing two-digit numbers using the language greater than, less than and equal to. They have also spent time reviewing their understanding of counting on in steps of 2, 5 and 10 before moving on to solve word problems using this knowledge. Meanwhile the Year 1s have been wowing ourselves with our brilliance in Number Sense each day! It is so wonderful to hear how much the children LOVE their mathematical learning! We have also spent some more time consolidating our numbers to 10 by comparing them and using *greater than* and *less than*.

As geographers, we have been applying our understanding of an aerial view to draw a map of the school grounds. We recognised that a map does not always show every detail, instead it is often made up of simple shapes to show a certain area. We also looked at how we could use symbols on a key to represent different places in school.

As designers, we spent time working in small groups to carry out a product review of push, pull and slide books. We had to consider the audience, the purpose and how it moved in different ways. This information will inform the design process for our own push, pull and slide seasonal book.

As global citizens, the children worked with Miss Cose to understand more about Islam and that people who follow the faith are called Muslims. They also learnt that Allah has 99 names in the Qur'an. They then presented their learning in a fabulous fact file.

If you have any questions, please do not hesitate to come and see me on the playground at the end of the day.

Have a wonderful weekend!

Mrs Williams

Oxford Owl

You can access a range of ebooks linked to our RWInc sessions and lots of other fabulous stories by logging onto **Oxford Owl for Home!**

It is free to access all of the books, and there are also loads of different activities you could try at home too!

I'd love to see how you get on - feel free to share any photos or videos!

Star of the Week!

Star of the Week

Doug

Doug has wowed me with his super RWInc learning this week. He has contributed some super ideas to our discussions and really got stuck into his writing.

Well done Doug! You are a star!

Attendance

Our attendance target is 98%

Dates for your Diary

Monday 11th October – KS1 Disco in school hall at 2.30pm

Tuesday 12th October – Tempest Photography Inc. Sibling photos at 8.30am

Thursday 14th October – Harvest Celebration at Church – Reception parents warmly invited to join

Last week's attendance was 95.9%
Let's try and improve next week!

Monday 25th - Friday 29th October - Half Term
Wednesday 24th November - Yarmer & Leas Foot trip to Plymouth Synagogue & The Box Museum
NEW DATE
Friday 17th December - End of Term
