Spending Overview :

Rationale

The Learning Academy Partnership is dedicated to delivering high quality PE & school sport to all children. We aim to raise standards in PE and equip the children with the desire, skills, knowledge and understanding necessary to lead a healthy lifestyle.

ACTIVITY	COST £	FUNDING CONTRIBUTI ON	IMPACT SOUGHT	OUTCOME OF FUNDING AS AT 31/07/23
Engagement with Kinetics to offer Specialist PE support for Teachers.	6800	6800	<p>To develop subject knowledge for teaching staff on the delivery of high-quality PE lessons.</p> <p>Children to experience PE specialist to further develop their physical literacy and skill - building into sports games.</p> <p>Engage, enthuse and spark interest for children in PE and to further engage them in sports clubs outside of school.</p>	<p>The partnership has been key in developing the teaching and learning of PE at the school and also providing further access to inter-school events where children have been inspired by trying new sports. Teachers are more confident in lesson delivery and have benefitted from specialist support in planning effective PE lessons. Team teaching alongside coaches from Kinetic has ensured that children have access to high quality teaching in a range of sports.</p>
Forest School provision	£6450 + £1000	£6450 + £1000	<p>Children get to problem solve, develop teamwork and learn to take part in outdoor and adventurous activity challenges both individually and within a team.</p> <p>Children develop a love for being outdoors which will stay with them long beyond participation in team sports is an option for them in later life.</p> <p>Train a member of staff for qualification to deliver F&B - sustainability and allow every class to eventually enjoy a session every week.</p>	<p>Forest school provision has had a huge impact on all of our children as it has enabled them to develop new skills and engage in further learning opportunities outside of the classroom. We have seen an improvement in children's wellbeing and through pupil conferencing, our children have been overwhelmingly positive about their forest school experience.</p>

After School Clubs	£2000	£2000	<p>Further develop opportunities for children to engage in sports outside of school time.</p> <p>Range of clubs offered - including sports that children may not be able to engage in within the local area (e.g. yoga).</p>	<p>Children have realised the possible as they enjoyed activities that they have not been involved in before: tennis and glow in the dark dodgeball. The children learned new skills and developed their confidence, which impacted on their confidence and attitudes back in school. They developed their team building skills and demonstrated resilience as well as passion and enjoyment for new activities.</p>
			<p>Increased opportunities for PE/Sport and afterschool will give increased opportunities for children to develop their health and fitness</p>	<p>Children have built upon prior learning and can talk confidently about the importance of healthy eating, fitness and wellbeing. Children understand the importance of healthy lifestyles and the impact it has on their long-term health. They can make more informed choices about healthy eating, fitness and their emotional well-being. The children are better equipped to make healthier lifestyle choices. the key learning from the session. The children understand the importance of mental wellbeing. They were able to discuss the benefits of</p>

				mindfulness and perform some mindfulness activities.
