Exciting Opportunities on Census Day 3.10.24 – Free School Meals and Competitions!

Dear Families,

We would like to inform you about Census Day 3.10.24, which is coming up soon. This day is particularly important for schools as it helps determine our future funding. To make the day special for our pupils, we are running a couple of exciting competitions.

First, we are introducing *The Great British Harvest* competition, where pupils are invited to design a special menu using British seasonal produce. The winning menu will be served across all schools, and there are great prizes for the winning school, the winning hub, and the overall champion.

Every pupil will also receive a free school meal on Census Day, making it a fun and nutritious day for all!

Additionally, there will be a competition for the highest attendance in the Trust on Census Day, with a chance for our school to win a prize of £1,500. This means it's more important than ever to ensure your child attends school on this day.

We encourage you to support these initiatives and help us make the day a success for both the pupils and the school. If you have any questions, please don't hesitate to contact us.

Thank you for your continued support.

Miss Coombe
